Cost of European Wars.

A letter from Paris, in the New York Times, gives the subjoined interesting facts in relation to the ravages of wars in Europe:

European wars, from 1815 to 1864. carried on in Europe itself or through the direct participation of European nations, have cost the lives of 2,762,000 is, and 614,000 d.i. f. is a decrease is. This gives an average of 43,800 lives per annum, and the above figures are exclusive of deaths in the civil ranks of society, occasioned by epidemies growing out of the war. The Crimean campaign (1853 to 1856)

which cost the lives of 511,000 men, thus divided: Rusians . 2,000

(1829 to 1860,) absorbed 330,000 lives. French campaigns in Africa, (from 1830 Wise and Mr. Speaker-37, including The pale man sprung from his seat to 1859,) 146,000. The Hungarian insurrection of 1849, 142,000.

The Italian war, inclusive of the vided as follows: Austria.

wars from 1792 to 1815, amounted to yesterday, were taken up.

The Congress, or a body of Jacobins

Now, is not the language conveyed in the above clause clear and unmiss to fire they knew that they were indirect violation of that instrument. All who bowed to Mr. Lincoln's authority and obeyed his proclamations, whether in according proclamations, whether in according ance with, or in violation of, the Constitution, may well and truly have the stitution, may well and truly have the strong to the state of the state o Total 21 years...... 6.526,000,000 frames.
The Italian tampaign of I559, in two months and a half, cost the powers engaged 1,485,000,000 frames.
The above tables of mortality which fix 2,782,000 as the number of soldiers well taken.

The substitute proposed to complement another set of men for precise bring the matter before the attention of the President, and to ask him to prevent the threatened invasion of our state. The present Governor of Missouri, instead of preventing it, would be souri, instead of preventing it.

ied in the new tariff bill passed by the House, and postponed by the Senate

STATE OF MISSOURI,

JEFFERSON CITY, July 26, 1866. Editor of the Missouri State Times: The inquiries as to the number of Justices of County Court, and wheththis fall, are so numerous, I beg leave, through your column, to state as my opinion, that all three of the County Justices should be elected, but that Circuit Attorneys hold over by virtue

"Prof fild Virginia."

The Richmond (Va). Examiner in Constitution of Missouri, the schools commenting on the above pitying were opened to all, without distinction. phrase, after admitting their financial desolution says:

"Look at our men and women and and every mail brought the news of which are rather significant of the sentiments of their leading men:

Senate bill No. 57, concerning dosweet patience and Christian faith of our women, cheering us on to this task; The State of Missouri has just lost at they smilingly cheered us on to that solemnize the rites of matrimony according to the customs of the society ordenomination, which was agreed to, ordenomination, which was agreed to. ly sitting down to teach the coming men of Virginia lessons in the truth

And we are doubly rich in our sacred memories. There at Lexington, Leside unparalleled example how Virginia's tion on the table, and upon this the aves and noes having been demanded, the result was—aves 37, noes 37.

Those voting in the negative were:

Messrs, Babrock, Barbor, Redendard.

The Governor of Kansas has appointed Major E. G. Ross, one of the editors of the Lawrence Tribune, to can we feel ourselves poor while we suggest that the control of the control of the control of the can we feel ourselves poor while we suggest that the control of the control

harried desolation of Manassas; by look down upon a thousand fields of victory; by that broad Potomac, thrice. Newcomb, Fratte, Sutherland, Thompson, Rinker, and Judge Harlan (the Speaker.)

Again in the Senate, on the 26% of January, the following professings bills:

Again and Judge Harlan (the Indicate Samuel foot up the Indicate Speaker.)

Again in the Senate, on the 26% of January. The Congress, of a body of the Congress, manager of the Rappahannock, and the Immortal record of Fredericksburg; by the tangel of thickets of the Wilderness, and the Indicate Speaker.) the blood-soaked plain of Spotsylvania; ... 15,000,600 by Cold Harber and embattled Peters burg, and the gaps that still mark on our own streets here how stern was

Mr. Carroll moved to lay the resolu-tion and substitute on the table.

Mr. Simmons rose to a point of or-der. The original resolution proposed to compliment one set of men for one thing; the substitute proposed to com-

question, which was sustained.

will assuredly not six idle while the est men, which although canine in Mr. Muench called for the ayes and scenes of 1863-4, in Jackson and Cass form, have more of the man about

fear he should not "see it" it is better ing to a State and the administration of its laws with which the Federal Exception of its laws with which the Federal Exceptive has no authority to interfere. A family provision or two is embod-tempt to interfere with these rights and dignities is, on the part of the Pres-

region of grass. But the prohibitionist can exultingly ask why the Northwest should complain when the tariff
protects from foreign competition two
of our great staples of the West.

County Judges and Circuit Attorneys. five years the Democrat has denied in trine. It has seen exclusive usurpet of State powers without number. It has applicated them, sustained them, and proved them right, and now, on the first application of the doctrine in an opposite direction, it cries out very loudly about tyranny and outrage. -St.

On the subject of soldier, sclaims Jefferson City dispatch says: It has come to the knowledge of the Paymaster General that certain circuit
